ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this agreement is to establish mutually satisfactory relations between the City (HSR) and its Employees in order to facilitate the provision of effective and efficient public transit services and to provide machinery for the prompt and equitable disposition of grievances and to establish and maintain satisfactory working conditions, hours of work, safe and reasonable schedules, and wages for all Employees who are subject to the provisions of this agreement.

ARTICLE 2 – RECOGNITION

- 2.01 The City (HSR) recognizes the Union as the sole collective bargaining agency for all Employees employed in the Transit Division (Hamilton Street Railway), save and except the Senior Transit Technologist, all Supervisors and all those above the rank of Supervisor and those Employees covered by a subsisting Collective Agreement.
- 2.02 In an effort to address concerns of the Union that privatization or mergers will adversely affect the existence of the Union, the City (HSR) and the Union agree that should the City (HSR) be sold, merged with another City or change its ownership, the Union and City (HSR) agree that the A.T.U. will be the sole bargaining agent.
- 2.03 New position shall be governed under Article 19.18 of this agreement. In the event the parties are unable to agree on whether the position(s) are or are not Employees to be covered by this Agreement, then those position(s) shall be the subject of an application to the Ontario Labour Relations Board for determination of their status, pursuant to Section 95 of the Ontario Labour Relations Act. Upon determination that any such position(s) listed is an Employee by the Ontario Labour Relations Board, such position(s) shall be included in the Collective Agreement. In the event the parties are unable to agree on the wages of any such position(s), that question shall be referred to an arbitration board for final determination pursuant to the grievance and arbitration procedure under the Collective Agreement.

ARTICLE 3 – RELATIONSHIP

- 3.01 The parties hereto mutually agree that any Employee covered by this agreement must become a member of Local 107.
- 3.02 The City (HSR) agrees that no Employee shall in any manner be discriminated against or coerced, restrained or influenced on account of membership in the Union, or by reason of any activity in the Union.

- 3.03 The Union agrees it will not discriminate against, coerce, restrain or influence any Employee because of their membership or activity in the Union.
- 3.04 The Union will not engage in Union activities, or hold meetings on the property or in the vehicles of the City (HSR), or during working hours without the permission of the Director, Employee Health and Labour Relations, or designate.

ARTICLE 4 – MANAGEMENT RIGHTS

- 4.01 The Union recognizes the right of the City (HSR) to operate and manage its business in all respects in accordance with its commitments and responsibilities, the operating schedules, the direction of the working forces, the right to decide on the number of Employees required by the City (HSR) at any time and jurisdiction over all operations, buildings, machinery, tools, equipment and Employees are solely and exclusively the responsibility of the City (HSR). The City (HSR) also has the right to make, alter and enforce from time to time Rules and Regulations to be observed by the Employees, but before altering any such rules, the City (HSR) must discuss same with the duly accredited officers of the Union, and give them an opportunity of making representation with regard to proposed alterations.

The City (HSR) also agrees to inform the President of Local 107 of major policy, procedure and shift changes, for the purpose of giving the Local an opportunity to make recommendations with regard to these matters prior to implementation. This does not include such things as Operating Notices, Maintenance Notices, temporary shift changes, etc.

- 4.02 The Union acknowledges that it is the exclusive function of the City (HSR) to hire, promote, demote, transfer, and suspend Employees, and also the right of the City (HSR) to discipline or discharge any Employee for cause, provided that a claim by an Employee, who has acquired seniority, that they have been discharged or disciplined without reasonable cause may be the subject of a grievance and dealt with as hereinafter provided.
- 4.03 Without limiting the generality of the right of the Employer to discharge for just cause, it is expressly understood and agreed that any of the following causes shall be conclusively deemed to be sufficient cause for the summary dismissal of any Employee: absence without leave or without reasonable justification or cumulative culpable absences, consuming or possessing alcohol, cannabis, or illicit drugs or being impaired by alcohol, cannabis, illicit drugs, or medication while on duty, theft, any flagrant violation of safety rules, or with knowledge, driving while one's driver's licence is under suspension or the driver has been disqualified from driving.

Any non-probationary Employee required to drive a City vehicle with one (1) or more years' service will not be subject to dismissal for loss of their driver's license for a first off-duty occurrence, provided Management has been informed prior to the beginning of the Employee's next schedule shift. Such Employee will be placed on layoff, without pay or benefits until their license is restored. entitlement in effect on December 31, 2004, unless the table below provides a greater entitlement.

 - (ii) from the second (2nd) day of the fourth (4th) absence in the calendar year, and
 - (iii) from the third (3rd) day of the fifth (5th) absence in the calendar year, and

On consent of the Employer, Employees may be given an opportunity to utilize existing lieu time or vacation credits, to replace the unpaid days as provided above in (ii), (iii) or (iv). Where the absence is supported with a medical certificate such consent will not be unreasonably withheld.

When an Employee can demonstrate to the Employer that they can only attend medical appointments during their scheduled work, the absences shall collectively constitute one occasion for the purposes of this plan. In order for this to occur, the Employee must provide the Employer with documentation from their treatment provider at the commencement of the treatment program, outlining the anticipated schedule for treatments, including dates when the series will likely commence and cease.

- (4) Payments will be made for a maximum of twenty-six (26) weeks during any one continuous period of disability. Successive absences due to the same or a related cause will be considered one continuous period of disability unless separated by return to active employment for a period of three (3) months. A disability due to a different cause will be considered a new period after a return to active employment for one month.
- (5) No benefits will be payable during a period of pregnancy leave of absence to which an Employee is entitled under the Employment Standards Act, or during any such longer period of pregnancy leave for which the Employee has applied and been approved by the Employer.
- (6) An Employee shall be provided up to two (2) one-half ($\frac{1}{2}$) day absences for doctor appointments in any calendar year. Each of these one-half ($\frac{1}{2}$) day absences shall not constitute an occasion for the purpose of this plan. The Employer may require evidence of such appointment.
- (7) Short term disability payments will be offset by any disability benefits payable to the Employee from the Canada Pension Plan.
- (8) REGULATIONS
 - (i) An Employee shall on the first (1st) day of illness, report or cause to report such illness to the Employee's immediate supervisor.
 - (ii) An Employee who fails to report on the first (1st) day absent from work due to illness shall be considered as being absent without leave and is subject to having their name removed from the payroll on instructions from the Director, Employee Health and Labour Relations.
 - (iii) Upon receiving notice of Employee's illness, the Supervisor shall on the same day report such illness on the "absence report forms".

- (iv) An Employee whose illness/non-occupational injury extends to the fourth (4th) working day shall, on or before the fourth (4th) working day, obtain a medical note from a qualified medical practitioner. Such note shall be submitted to Return to Work Services upon their return to work in order to be eligible for Short Term Disability Benefits. The cost of such note shall be the responsibility of the Employee. Failure to provide such note will result in non-payment of the days for which the Employee was absent. The note shall identify an anticipated return to work date.

An Employee, whose illness is of the nature that it is reasonable to expect that this absence will exceed eight (8) working days, will not be required to provide a medical note but instead be required to provide a claim form in accordance with (v) below.

- (v) An Employee whose illness/non-occupational injury extends to the eighth (8th) working day shall, on or before the eighth (8th) working day, file a fully completed Claim Form with Return to Work Services, subject to the following:
 - (a) The cost for completion of the initial Form shall be the responsibility of the Employee. Provided the initial Form was fully completed, the costs associated with subsequent requests for additional medical forms or requests beyond the sick claim form shall be at the expense of the Employer. Where the original Form identifies a specific return to work date, additional Forms will not be required during that period unless there is a change in the expected return date, and
 - (b) Claim Forms must be submitted within five (5) days of the requirement set out in (v) above.
 - (c) The Employee will not receive Short Term Disability benefits past the thirteenth (13th) day if the Employer is not in receipt of a Claim form substantiating their absence. Benefits will resume once the Employer is in receipt of a claim form that substantiates the Employee's absence, and
 - (d) If the above deadlines are not met, any benefits paid to an Employee will be recovered from the first day of absence until the date in which the claim form is received and accepted by the Employer.

- (vi) Where the Supervisor has reasonable cause to believe that the absence(s) of the Employee was not due to non-occupational illness/injury, the Supervisor may demand a doctor's note for one (1) day of absence.
- (vii) For absences of ten (10) or more working days, the Employee must provide a medical certificate, at the Employee's expense, stating the Employee is fit to return to work.
- (viii) An Employee failing to file a Sick Claim Form shall be considered as being absent without leave and is subject to having their name removed from the payroll on instructions of the Director, Employee Health and Labour Relations.
- (ix) An Employee whose illness extends beyond fifteen (15) consecutive working days may be required to file a Sick Claim Form with Return to Work Services and every fifteen (15) days thereafter as required by the City (HSR).

It is not required that you be confined to home, but you must be under the regular care of a physician.

It is specifically understood that LTD benefits are not payable in respect of any illness or injury for which Workplace Safety and Insurance Board benefits are payable.

- (i) one (1) month if satisfying the qualifying period, or
- (ii) six (6) months if receiving the disability benefits.

(8) TERMINATION OF EMPLOYMENT

Your Long-term Disability benefit terminates when you terminate your employment. If you are disabled at the time of termination you may still be eligible for Long Term Disability benefits in accordance with the provisions of the Plan.

19.06 Probation Period

A new Employee shall be considered probationary for the first nine (9) calendar months of active employment. During this probationary period, the Employer shall have the exclusive right to discharge provided the decision to discharge is not made in bad faith, or in an arbitrary or discriminatory manner, or in violation of the Human Rights Code, the Employment Standards Act or other employment related legislation. Upon successfully completing the probationary period their name shall be placed on the seniority list and their seniority shall date back to the date their employment began. Employees will not be able to apply for other positions within the City of Hamilton during their probationary period.

Extended health, dental, vision, life and AD&D coverage will be provided upon the completion of six (6) months of the nine (9) month probationary period.

A senior Local 107 Employee(s) who accepts a layoff shall not have the option of displacing any permanent or temporary Local 107 Employee(s), as provided for herein.

Secondly, the Local 107 Employee with the least amount of Company seniority in the affected job classification shall be the first to be displaced. Such displaced Local 107 Employee will then (provided they have sufficient qualifications and can demonstrate sufficient knowledge and ability, during a two (2) month trial period, which includes a two (2) week familiarization period, to perform the work required) exercise their Company wide seniority within their Local by:

- (1) transferring to a vacancy through the job posting process, following the application of the Articles and/or Collective Agreement and Letters of Agreement, or;

All moves are based on ATU Local 107 seniority.

In the case of an unsuccessful two (2) months trial period, the previous Local 107 incumbent will be given the option to return to their previous position.

In the case of recalls, the process shall start with the most senior laid-off Local 107 Employee with seniority in the required job classification based on Company seniority.

The Company shall provide notice of layoff in accordance with the Employment Standards Act. A copy of this notice of layoff will be sent to the Union. Management will also post a copy in a prominent place in the department(s) affected.

No new Employee in Local 107 will be hired until laid-off Local 107 Employees with seniority (who have sufficient qualifications and ability to perform the work required) have been given the opportunity to be recalled.

- 19.09 Employees who have been laid off will continue to receive full benefits, for twelve (12) months, retain their seniority and a right of recall for up to twelve (12) months. The Employee is required to meet the standards set by the Employer for new Operators and the Employer is required to provide training to the laid off Employee in a manner similar to any new applicant as an Operator. In addition, should the Employer to assist them in finding new employment,

members of Local 107 who have been laid off will be offered access to such retraining.

- 19.14 From the date and time of the commencement of any extended period of continuous absence, such as layoff, prolonged sick leave, or protracted leave of absence, any fringe benefit (health/dental, life insurance, STD, LTD and Accidental Death and Dismemberment (AD&D)) conferred on any Employee by this agreement ceases to have any effect unless the terms and conditions of the relevant section expressly provide that such fringe benefit shall continue into a period of layoff or other interruption of continuing employment.
- 19.15 An Employee shall lose their seniority standing if they voluntarily quit their employment with the City (HSR), if the Employee is discharged for cause and is not reinstated pursuant to the provisions of Article 10; or if they are absent from work without leave for more than five (5) consecutive working days, unless there was reasonable justification for such absence satisfactory to the City (HSR).
- 19.16 In the event that an Employee covered by this agreement takes up a full-time position with the Union, then in such cases, they shall retain their seniority previously acquired and shall continue to accrue seniority while serving in such capacity.

The affected Employee shall have the right to return to the bargaining unit at any time during the period of temporary transfer. On return to the bargaining unit, seniority accumulation will resume. Upon successful passing of the written test, the Training Department will administer the eye test and will input the training results (both written and eye test) into the MTO website. The Employee is then directed to renew their license at any Service Ontario location.

ARTICLE 23 – NON-COMPLETION OF SCHEDULED RUN

23.01 When any scheduled run is not completed on account of failure or shortage of equipment, the Operator shall be allowed full scheduled time for that day.

ARTICLE 24 – BONUS FOR PLATFORM TRAINERS

24.01 Operators in charge of trainees will be paid an additional one dollar and fifty cents (\$1.50) per hour while so operating.

ARTICLE 25 – SPARE BOARD

25.01 Spare Operators shall refer to regular Operators on the signed spare board. All work for spare board Operators shall be divided as nearly as practicable, equally among them, providing all duty reports have been made as required. Time worked voluntarily by a spare Operator on their day off shall not be taken into account when leveling hours of work, nor shall such time apply against the pay guarantee.

Any run that is vacant up to 1:00 p.m. the day before it is to be operated will be assigned to a spare board Operator intact and any premiums applying on the regular board will vest to the spare Operator filling the run. Any run that comes open after 1:00 p.m. the day before it is to be operated may be split and assigned to more than one (1) spare board Operator. If no spare board Operator is available it may be assigned to a volunteer first, if no volunteer is available it may be assigned to a Winddown Employee.

If an Operator signed on a regular run reports late and is subsequently assigned to other work, that Operator will be booked off to provide a minimum of nine (9) hours between the completion of their assignments on that day and their next regular report.

Spare board work assignment sheets will be posted and available no later than 5:00pm the day before, unless under extenuating circumstances.

- 25.02 (a) Regular days off for spare Operators will be posted at the time of posting the board for a regular sign-up. Days off will be selected and signed for by seniority and will prevail for the duration of the sign-up concerned, excepting for changes for training purposes or for compassionate reasons.
- (b) The City (HSR) may, at its discretion, conduct one (1) signup within the board period covered by a regular sign-up to revise days off for spare Operators as selected in (a).

The City (HSR) will pay six (6) hours at City (HSR) rates in effect for Job Group 10 and 10B for the additional sign-up to revise days off for spare Operators.

- 25.03 Spare Operators are guaranteed a minimum of eight (8) hours' pay daily at their prevailing rates of pay for each regular day of work and forty (40) hours' pay for each regular work week completed, provided that such Operators report for work at the time or times assigned to them. It is further provided and agreed that all work obtained from the City (HSR) shall be applied to offset this minimum earning guarantee in any pay period in which it becomes necessary to apply this guarantee. In the event of layoff in excess of seven (7) days' duration commencing during a pay period, the guarantee of pay shall be reduced to eight (8) hours' pay for each day worked in the pay period in which the layoff occurred.

If, however, in a pay period a spare Operator fails once to report for work, the pay guarantee is to be reduced by the equivalent of eight (8) hours at straight time, but not more than eight (8) hours' reduction for any one (1) day, in addition to any disciplinary penalty that may be imposed. If a spare Operator reports late, and subsequently in that day is given an assignment, the guarantee loss will be offset up to the total of the eight (8) hour reduction by the actual time worked on that day. Failure to report for work more than twice in any pay period will relieve the City (HSR) of any liability for a guarantee in respect of such pay period. However, this does not apply to spare Operators who have reported sick or are on leave of absence, etc.

If a spare Operator is off sick, or for any other reason, and has reported same to the dispatcher or supervisor, the spare Operator will lose the equivalent of eight (8) hours at straight time from their guarantee for each day that the Operator is off. In any pay period in which there has been a day on which a special holiday schedule was put into effect and for which a special selection has been held and on which the Operator was not entitled to holiday pay as defined and provided for in Article 13 - then the minimum guarantee of eighty (80) hours shall be reduced to seventy-two (72) hours for the pay period in question. In case of days lost for disciplinary reasons, there shall be eight (8) hours deducted from the guarantee for each day lost.

Only holiday pay, as defined in Article 13.02 will be applied to offset the minimum pay period guarantee of a spare Operator in a pay period in which a designated holiday falls on their normal working day.

- 25.04 In the event that regular runs are added to the daily schedules between sign-up periods, or when a regular run having been signed for becomes vacant, such runs will be posted within seven (7) days for three (3) days

and bid for by seniority. If not filled by the bidding process by a qualified Operator it will be assigned to the junior qualified Operator.

- 25.05 No spare Operator will be detailed on the assignment sheet for work over a twelve (12) hour spread. Spare board work detailed assignment sheets shall be posted no later than 5pm the day preceding the work unless under extenuating circumstances. In case of emergency due to snowstorms or fires will make every effort to relieve the spare Operator affected as soon as possible.

ARTICLE 26 – COVER TIME

- 26.01 Cover time shall be that time which an Operator is held by the dispatcher for the purpose of covering runs of absentees or in anticipation of extra service.
- 26.02 An Operator required to report as a cover Operator shall receive a minimum of two (2) hours' pay at straight time rate for the time on report if no work is available.
- 26.03 The Operator's rate shall be paid for covering time. Payments made under this section shall apply against any minimum guarantee received under Article 25.

ARTICLE 27 – EXTRAS AND CHARTERS SHORT PIECES OF WORK

- 27.01 Any Operator operating an extra, charter, a regular or unassigned run shall receive a minimum of two (2) hours' pay, including allowances, at straight time, except when the run is consecutive with another piece of work, or except where the next or previous piece of work commences or terminates within the two (2) hour guaranteed period, then the guarantee shall be limited to the intervening time between the pieces of work.

ARTICLE 28 – POSTING OF RUNS

- 28.01 (a) The Employer agrees that each sign-up board posted will contain a minimum of three hundred (300) weekly runs. The Employer agrees that a sign-up board of run selections provided by the City (HSR) shall be posted. Eligible Operators will make their selection of the runs and days off they desire by seniority not less than four (4) times a year with, as nearly as possible, three (3) calendar months between sign-ups provided additional sign-ups are not offered. The City (HSR) agrees to present the board two weeks prior to commencement of sign up for the Executive Board to review. The Union undertakes to post, supervise and conduct sign-ups in accordance with the regulations that may be laid down from time to time to govern work selections. The signups shall be completed

and returned to the City (HSR) within twenty-six (26) calendar days of their receipt. Nothing in the foregoing clause shall prevent a sign-up proceeding by the Operators in their seniority, immediately following the posting of the board.

The Employer agrees to pay one hundred and eighty (180) hours' pay at City (HSR) rates in effect for Job Grade 10B for each of the regular and vacation board sign-ups conducted by the Union. The Employer agrees to pay thirteen (13) hours' pay, at City (HSR) rates in effect for Job Grade 10B, for each of the statutory and designated holiday sign-ups conducted by the Union.

- (b) A spare board will be posted at the same time as the regular sign-up board of (a) above. Any Operator may elect to sign up to work on the spare board in accordance with their seniority.
- (c) A vacation relief board will be posted at the same time as the regular sign-up board of (a) above. Any Operator may elect to sign-up to work exclusively on the vacation board to make up a vacation relief run for the full duration of the regular sign-up.

Operators will be permitted to sign to replace a spare board Operator who is on vacation. The vacation relief Operator replacing the spare board Operator will assume the seniority of the spare board Operator for whom they are replacing. In the event a vacation week is imbalanced due the number of regular and spare board Operators who are on vacation, and blank spots exist as a result, Operators signing vacation board will be permitted to sign a blank spot and will become a spare Operator for that week. An Operator who has signed a blank spot, and becomes a spare Operator for the week, will retain their own seniority for work assignments, however, the Operator's days off for the signed week will be assigned by the Manager of Operations or designate, taking into consideration operational needs and the work schedule of the Operator the week prior to and after the signed week.

28.02 After a sign-up has gone into effect, if it appears that the schedule on any route is not satisfactory, or a change in route is made which materially alters the conditions of service, new runs will be created and cut as close to the previous runs as possible. The runs will be assigned by the City (HSR) as close as possible to the run previously signed by the Operator. Any Operator affected will be paid the greater of the run value of the two. The reassignment must include at least the same number of Operators.

28.03 An Operator may not be permitted to sign on a run involving a type of vehicle for which they are not trained unless they have signified their intention in writing to the Manager of Operations at least sixty (60) days in

advance and has subsequently completed the required course of instruction.

ARTICLE 29 – SPECIAL HOLIDAY ASSIGNMENT BOARD

29.01 The City (HSR) agrees to post a notice nine (9) weeks prior to Christmas Day, Boxing Day and New Year's Day and seven (7) weeks prior to any other holiday for which a special selection is held announcing that there will be a Special Holiday Assignment Board in effect on the day in question or any other day affected by said holiday. All Operators will be allowed seven (7) working days to submit a request to work the holiday in person to Manager of Operations' office, after which, should there not be a sufficient number of men to cover all runs, the Manager of Operations (or designate) will complete the seniority list from the bottom of the seniority list up. The Assignment Board and Seniority List will then be presented to the Executive Committee of the Union who will proceed under the conditions prescribed in Article 28.01. The sign-up, as signed for, shall become binding on all concerned and be returned to the Manager of Operations (or designate).

ARTICLE 30 – ADEQUATE SPARE LIST

30.01 The City (HSR) shall endeavor to provide an adequate spare list to meet its daily service requirements, and no regular Operator shall be required to do extra work before or after completing their run, except in cases of emergency, or when no spare Operator is available; and in no case shall a regular Operator be required to work more than one (1) trip or one (1) hour, whichever is the maximum, and shall be paid at two (2) times the Operators hourly rate, after they have notified the office of the absence of a relief Operator. On the longer routes operated, the City (HSR) agrees to use its best efforts to keep the extra time involved as low as possible.

CLAIMING BENEFITS

Assignment of Benefits to the Provider

In cases where your group benefit plan permits direct payments to providers, you may wish to assign benefits to the provider of the service (e.g. pharmacist, dentist, optician). If assignment is acceptable to the provider, present your Identification Certificate and the provider will bill Manulife Financial directly. No claim forms are necessary.

Direct Claims Submission

Claims submitted directly to Manulife Financial must include original receipts and a completed claim form including the following: your name and complete address; your group and identification numbers; group name; claimant's date of birth; dependent's name (if claim is on behalf of a dependent or spouse) plus relationship to you. Drug claims must indicate the prescription number, name, strength and quantity of the drug plus the drug identification number.

Claims must be submitted to the address indicated on the claim form.

Manulife Financial must receive written proof of claim not later than the end of the calendar year following the year in which the claim was incurred. On termination of a person's coverage for any reason, written proof of claim must be received not later than 90 days following the date of such termination.

COORDINATION OF BENEFITS

Your Manulife Financial plan includes a Coordination of Benefits provision. If you have similar benefits through any other insurer, the amount payable through this plan shall be coordinated as follows, so that payment from all benefit plans does not exceed 100 percent of the eligible expense. Where both spouses of a family have coverage through their own Employer benefit plans, the first payer of each spouse's claim is their own Employer's plan. Any amount not paid by the first payer can then be submitted for consideration to the other spouse's benefit plan (the second payer).

Claims for dependent children should be submitted first to the benefit plan of the spouse who has the earlier birthday in a calendar year, and second to the other spouse's benefit plan. When submitting a claim to a second payer, be sure to include payment details provided by the first payer.

CONVERSION

When you or your dependent leaves the group, application may be made for conversion to an individual plan. Application for conversion to an individual plan must be made within 60 days of leaving the group.

EHB (EXTENDED HEALTH BENEFITS)

- Manulife Financial will not reimburse the difference between what a hospital charges and what the provincial health plan reimburses for hospital stays.

- Pre-existing conditions are covered from the moment the Agreement takes effect, except for dental care as a result of an accident.

BENEFITS

1. GENERIC DRUGS - Drugs purchased on the prescription of a medical doctor or dentist, which a pharmacist would not normally dispense without a prescription, including injectable medications, injected allergy sera and insulin, needles, syringes and test-tape for use by diabetics. Smoking cessation aids (trans dermal patches and nicotine gum only) are limited to a 3 months' supply per person, once only. Benefits are not payable for vitamins or vitamin preparations (unless injected) or drugs not approved for legal sale to the general public in Canada. The name, strength and quantity of the drug must be shown on all receipts.

2. PRIVATE NURSING: Charges for private nursing services which require, and can only be performed by a Registered Nurse (RN) or Registered Practical Nurse (RPN); up to a lifetime maximum of \$100,000 per covered person, when such services are provided in the home by a Nurse who is registered in the jurisdiction in which the services are performed and is not a relative of the patient. The attending physician must certify nursing services are medically necessary. Agency fees, commissions and overtime charges, or any amount in excess of the fee level set by the largest nursing registry in the province of Ontario, are not included.

An "Authorization Form for RN Services" must be completed by the attending physician and submitted to Manulife Financial. When the services are extended for more than 30 days, prior approval must be obtained from Manulife Financial on a monthly basis.

Payment will be made up to the fees set out in the Ontario Dental Association suggested Fee Guide for General Practitioners in effect on the date of treatment. The replacement of natural teeth will be limited to \$500 per accident.

Predetermination of Benefits and Alternate Benefit Provision - Prior to beginning dental treatment which will involve the use of crowns, bridges and/or dentures and which is expected to cost \$300 or more, you must obtain from your dentist and submit to Manulife Financial a treatment plan outlining the details of the accident, any relevant x-rays, pre-accident condition of the teeth, planned treatment and cost.

Approval of the treatment plan must be obtained from Manulife Financial prior to commencement of treatment (except for emergency treatment required to alleviate pain). After reviewing the treatment plan, you will be advised of the amount payable by Manulife Financial. Where a range of fees, individual consideration or laboratory charges are included, Manulife Financial will determine the amount payable.

There are many ways to treat a particular dental problem or condition and the cost of different procedures, services, courses of treatment and materials may vary considerably. Manulife Financial may determine that payment for a less expensive procedure, which will provide satisfactory results, may be made towards the cost of a procedure selected by you and your dentist. The difference between the amount payable by Manulife Financial and the dentist's charge is your responsibility.

For dependent children, two (2) pairs per calendar year (no dollar limitation for dependent children only). Surgical stockings with a compression factor greater than or equal to 25mmHG to a maximum of \$400 per calendar year.

The purchase of a cystistat kit will be considered an eligible expense when the attending physician, outlining the diagnosis and recommended course of treatment, completes a pre-authorization. The patient will be re-evaluated after the eighth treatment and additional pre-authorization must be obtained if further treatment is required. This benefit is limited to one course of treatment.

7. HEARING AIDS: Payment will be made towards the purchase of a hearing aid when prescribed by a licensed physician or hearing specialist. Eligible charges include the cost of repairs and batteries. Refer to your Summary of Benefits for the amount and frequency of payment. Benefits are not payable for ear examinations or tests.

Hours of Work and Overtime Pay

Disclaimer: This resource has been prepared to help employees and employers understand some of the minimum rights and obligations established under the Employment Standards Act, 2000 (ESA) and regulations. It is not legal advice. It is not intended to replace the ESA or regulations and reference should always be made to the official version of the legislation. Although we endeavor to ensure that the information in this resource is as current and accurate as possible, errors do occasionally occur. The ESA provides minimum standards only. Some employees may have greater rights under an employment contract, collective agreement, the common law or other legislation.

The [Employment Standards Act, 2000](#) (ESA) sets minimum standards for most workplaces in Ontario, including hours of work and overtime pay. This information sheet provides information about the general rules in Ontario about hours of work and overtime pay.

Under the ESA, some jobs or industries have special rules or exemptions for hours of work and overtime. For more information and to learn if your job has special rules or exemptions, go to [Ontario.ca/ESAtools](https://www.ontario.ca/ESAtools).

Hours of work

You cannot be required to work more than eight hours a day or the number of hours in your regular work day if your regular work day is longer than eight hours. You also cannot be required to work more than 48 hours in a week.

Rest periods and eating periods

Your employer must give you a 30-minute eating period after working no more than five hours of work, or two shorter eating periods equal to 30 minutes within a five-hour period, if the employer and employee agree.

Your employer must give you 11 consecutive hours off work in each 24-hour period. You must also have 24 straight hours off work each work week, or 48 straight hours off every two work weeks.

v. October 2020

Your employer must give you eight hours off between shifts. This does not apply if the total time worked on both shifts is not more than 13 hours, or you and your employer have agreed in writing that you will receive less than eight hours off between shifts.

To calculate these periods, try the Hours of Work and Overtime Tool at [Ontario.ca/ESAtools](https://ontario.ca/ESAtools).

Excess hours of work

You and your employer can agree in writing that you will work more than:

- eight hours a day or their established regular workday – if it is longer than eight hours;
- 48 hours a week.

You do not have to agree to work excess hours.

If you *do* agree to work excess hours, you cannot work more than the number of hours shown in your agreement.

You can cancel this agreement by giving your employer two weeks' written notice. Your employer can also cancel the agreement by giving you reasonable notice. Once your agreement is cancelled, you can no longer work excess hours.

If you are represented by a trade union, your union can make agreements with your employer on your behalf.

For more information on hours of work, including excess hours agreements, go to [Ontario.ca/hoursofwork](https://ontario.ca/hoursofwork).

Overtime pay

Generally, your employer must pay you overtime pay if you work more than 44 hours in a week. Overtime pay is 1 ½ times your regular rate of pay.

You can receive paid time off work instead of overtime pay if you and your employer agree to this in writing. Paid time off is provided at 1 ½ hours off for each overtime hour worked. The time off must be taken within three months of being earned.

Overtime averaging

You and your employer can agree in writing to average your hours over two, three or four weeks to determine overtime pay, if any. This means your overtime pay is based on the average number of hours you work in the period set out in the agreement rather than each week. You do not have to agree to overtime averaging if you do not want to.

These agreements must contain a start date and an expiry date and generally cannot last longer than two years. Generally, you or your employer cannot end the averaging agreement before the expiry date, unless you and your employer both agree, in writing, to end it. If you are represented by a trade union, your union can make agreements with your employer on your behalf. These agreements will last no longer than when the next collective agreement takes effect.

For more information about overtime and averaging agreements visit [Ontario.ca/overtime](https://ontario.ca/overtime).

You cannot be punished for asking about or using your ESA rights

If you ask about or exercise your rights under the ESA your employer cannot punish you in any way, including by ending your employment.

You cannot agree to give up your rights

You cannot agree or sign a contract to give up any of your rights under the ESA. These agreements or contracts are invalid. For example, if you sign a contract saying your employer does not have to pay you overtime, this agreement would be invalid.

For more information or to file a claim

For more information about the ESA visit [Ontario.ca/ESAGuide](https://ontario.ca/ESAGuide).

If you believe that you have not received your rights under the ESA, you can file a claim with the Ministry of Labour, Training and Skills Development at [Ontario.ca/ESAclaims](https://ontario.ca/ESAclaims).

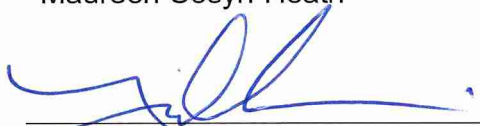

IN WITNESS WHEREOF the parties hereto have on theory of July 4, 2024
